Buried deep within every ZORK I package: your ZORK I disk, a complete history of the Great Underground Empire and an incredible map not sold at any gas station known to Mankind.

*>Throw the sack at the troll.*
*The troll, who is remarkably coordinated, catches the brown sack and, not having the most discriminating taste, gleefully eats it. The flat of the troll's axe hits you on the head . . .*

**WELCOME TO ZORK I: THE GREAT UNDERGROUND EMPIRE.**
It beckons you into a world fraught with danger and discovery. Using all the cunning you can muster, you'll plunge far below the surface of the earth in search of the incomparable Treasures of Zork. But this is no mere treasure hunt. During your amazing journey, you'll come face to face with creatures so outlandish, they defy description. And you'll wander through an underground domain so vast, with so many twists and turns, it can offer you new surprises no matter how many times you explore it.

**GET INSIDE A STORY. GET ONE FROM INFOCOM!**
It's like waking up inside a story! Load Infocom's interactive fiction into your computer and discover yourself at the center of a world jam-packed with surprising twists, unique characters and original, logical, often hilarious puzzles.

For the first time, you're more than a passive reader. You can talk to the story, typing in full English sentences. And the story talks right back, communicating entirely in vividly descriptive prose. What's more, you can actually shape the story's course of events through your choice of actions. And you have hundreds of alternatives at every step. In fact, there's so much you can see and do, your adventure can last for weeks and even months.

To find the Infocom interactive story that's right for you, just choose any one marked with the level of difficulty listed below that best matches your current level of interactive skill.

**Introductory:** Best introduction to interactive fiction, with some built-in hints. Written for everyone from age 9 up.

**Standard:** This is Infocom's most popular level of interactive fiction, enjoyed by both first-time and experienced players.

**Advanced:** A greater level of challenge. Recommended for those who've already experienced Infocom's interactive fiction.

**Expert:** The ultimate challenge in interactive fiction.

Then find out what it's like to get inside a story. Get one from Infocom. Because with Infocom's interactive fiction, there's room for you on every disk.
